

## QUALITY POLICY

### OUR POLICY

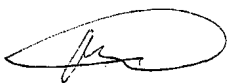

Van Diemen Quarries (VDQ) shall ensure that we deliver crushing, screening and quarrying services which meet or exceed the requirements of our client's, whilst at the same time delivering acceptable commercial returns to the company. Our goal is to be an industry leader through the provision of solutions that are technically appropriate, socially, economically and environmentally responsible, and which comply with regulatory requirements.

VDQ encourage and promote continual improvement of our workplace by setting business objectives and targets and assessing our achievements at regular intervals.

VDQ will provide any information, instruction, training and supervision necessary to ensure that employees are qualified and competent in meeting the requirements of this policy.

### POLICY OBJECTIVES

- ◆ Work with all our clients in an ethical and legal manner
- ◆ Work profitably with all our clients
- ◆ Deliver our products on time, on budget, and meet or exceed client expectations
- ◆ Provide evidence that all products have been manufactured in accordance with the relevant specifications
- ◆ Improve and enhance employee competencies
- ◆ Consider product quality issues in meetings with employees and the client
- ◆ Regularly review and update this Policy
- ◆ Regularly review our objectives and assess our achievements
- ◆ Use professional advice where necessary to ensure that we meet our policy objectives
- ◆ Ensure our suppliers, contractors, subcontractors and visitors operate in accordance with this policy
